Sakae Drums made it possible for a compact drum kit to still maintain the same power and sound of those regular sized kits, yet it is very easy to carry and set up anywhere. The bass drum raiser is suitable for many different sizes of drums and it's height is adjustable. The huge drum sound generated by this small kit is suitable for any style of music.

Sakae drums are produced by Sakae Rhythm, a high quality Japanese drum manufacturer based in Osaka, Japan. With over 40 years of drum building experience, Sakae have moulded into a trusted brand and are growing everyday. There are many professional drummers playing Sakae drums including Ash Soan, Neal Wilkinson, Steve Jordan, Jack Pollitt and many more.
